iplante	Wrap Up -Thanks for joining this week's #edtechchat ! Don't forget to follow your new connections from tonight!	7/21/2014 20:59:12
40ishoracle	@TechTeacherT My experience too. Many students are just bored or not interested in playing school. Coding/creating brings joy #edtechchat	7/21/2014 20:59:12
swpax	@rsquiereacsd Perhaps. I was thinking of what later direct application beyond underlying benefits. #edtechchat	7/21/2014 20:59:14
ajpodchaski	RT @MyMetryx: @MJMadda & #edtechchat Excited to say that @StephMCastilla & @roshnimirchi were just accepted for @GirlsWhoCode program in #RI	7/21/2014 20:59:27
KatrinaStevens1	@MathNeil Any chance you blogged/wrote about that experience? Would love to know details. #edtechchat	7/21/2014 20:59:31
nathan_stevens	@jdferries @ajpodchaski @iplante I didn't even get to how 3D printing s Coding #edtechchat	7/21/2014 20:59:34

lorimcglone	@TechTeacherT @s_bearden best coders have a perpetual 'beginners mindset'-empathize with the user, a novice to their technology #edtechchat	7/21/2014 20:59:51
tina_p	RT @EdSurge: A6: RT: @MJMadda Woot @KatrinaStevens1! We've also got our great @edsurge Coding Guide! https://t.co/vhiXP4NM9p ... #edtechchat	7/21/2014 20:59:53
nathan_stevens	@40ishoracle @TechTeacherT bring in the ownership factor #edtechchat	7/21/2014 21:00:04
s_bearden	@TechTeacherT Really interesting! I've noticed high achievers often dislike failing and lose interest as a result #edtechchat	7/21/2014 21:00:05
